WHAT WE PROVIDE

OUR PRODUCT RANGE

XTREME

Xtreme, our mono-filament 3G surface, offers exceptional quality and longevity, suitable for a wide array of sports.

Applications

60mm, 50mm or 40mm - Pile height

8 year warranty

XTRA

A fibrillated fibre surface, utilising robust yarn, ideal for small sided areas with heavy usage.

Applications

60mm, 50mm or 40mm - Pile height

8 year warranty

XCEL

A versatile FIH approved carpet surface, highly durable and resilient. Perfect for fast paced sports. Available as sand dressed or water based.

Applications

18mm or 13mm - Pile height

8 year warranty

PRO CLUB ADVANTAGE

The ultimate playing surface, offering exceptional performance for intense court sports, ensuring lasting quality and playability.

Applications

13mm - Pile height

5 year warranty

TURF CRICKET

Engineered specifically for cricket, our ECB approved non turf cricket solution offers outstanding performance, ensuring a consistent playing surface for every match.

Applications

10mm - Pile height

5 year warranty

LANDSCAPE GRASS

Available in a variety of different pile heights and colour options, our landscape grass is perfect for both commercial and residential areas.

Latex Products - 5 year warranty

PU Backed Products - 10 year warranty

OUR PROMISE

COMPLETE FLEXIBILITY

No matter your requirements, we can provide a flexible solution to meet your needs, including custom pile heights and colours for all different usages, all delivered with outstanding customer service.

QUALITY ASSURED

Our testing equipment allows us to ensure each and every product we send out meets the exacting quality standards of the various sporting bodies we are certified by, including FIFA, World Rugby, GAA, ITF and FIH.

RAPID TURN-AROUND

Benefit from our state of the art machinery, ensuring rapid production times. Our UK based manufacturing plant guarantees swift delivery worldwide, without shipping delays.

A CUSTOM-FIT SERVICE

We are dedicated to providing the best for our customers. Every customer is unique, and we recognised the importance of being able to offer them a bespoke sports surface, with customisable features including:

- ✓ Pitch lines & markings
- ✓ Colours
- ✓ Pile heights
- ✓ Gauges
- ✓ Suitability for various infills and dressings
- ✓ Backing
- ✓ Surrounds, entrance areas and dugouts
- ✓ Sustainable resource management with minimal waste
